BIH Program

This year's event will reflect on 35 years of successful BIH program services as we journey through generations of program development, facilitation, participation and celebrations while visioning a future aimed at further reducing Black maternal and infant health disparity.

Experience fun activities at the **BIH Pavilion** including games, prizes, and a photo booth. Come explore the interactive "**BIH Live!**" area showcasing technical tools like the website and multi-media resources. Don't miss the **BIH Pavilion Stage** for intimate interviews with health professionals and insights into women's health topics. Upstairs, join **BIH-sponsored breakout sessions** led by world-class experts diving into crucial health topics.

*The Women's Health Expo 2024 is more than an event; **it's a movement towards empowerment, education, & celebrating the strength of women in transforming purpose into action.***

Don't miss this unforgettable experience!
